

To come to fabled **Shangri-la** is to leave the worries of the world behind. A place from which to explore the mysteries of the Far East and to find the inspiration behind James Hilton's book, the story of Lost Horizon. Surrounded by snow-capped mountains, it offers awe-inspiring views and experiences within a **natural paradise**.

Location – Luxury in the Clouds

Opening officially in April 2019, this 7-hectare resort is just 20 minutes from Diqing Shangri-la Airport and a short distance from Old Town Shangri-la, where you can stroll through quaint cobblestoned streets and traditional Tibetan buildings. Also lies within a rustic Tibetan village. This farmland has 38 families and is at the end of a beautiful valley.

At 3,300m above sea level, Shangri-la sits on the edge of the Tibetan Plateau. Sitting high in the mountains between Yunnan and Sichuan, Shangri-la is also known as the ancient city of Gyalthang. Originally part of the Tibetan kingdom of Khampa, this was an important stop on the ancient Tea Horse trade route. The population here is thus mainly Tibetan. The main minority group are Naxis.

Accommodation: 15 keys

The exclusive residence of 10 comfortable rooms offers contemporary living at its finest, subtly infused with this 150-year old traditional Tibetan house. Exceedingly well designed, each is an exquisite example of space and privacy in perfect harmony. Conventional boundaries cease to exist as you move with ease between generous-sized living areas that seamlessly flow from one to the next, creating spaces for intimacy and entertaining.

Glamp in Tibetan Tented Villas

Discover glamping in any of our 5 luxurious Tibetan tents built on 5 hectares of meadows. Each tent is designed in a rustic style to resemble a typical Tibetan nomad's tent on the highland pastures. Cocooned in each tent are modern comforts such as an ensuite bathroom, a bathtub to soak in, a heated mattress and a wood stove. The sitting area in each tent is comfortable with ethnic cushions, soft throws and rugs to complete the chic Tibetan look.

Facilities

Hall of Harmony or Hall of Happiness 修身齐家

The timber doors are carved with these Chinese characters “修身齐家” advising the way to happiness and harmony from within. On the right is the Arrival Hall, a cosy place where guests can enjoy complimentary ginger tea while they are being checked into the hotel. Log fires add to the warmth of arriving as one takes in the open views of the meadows in the lounge area. To the front and looking over the resort is the Reclining Buddha ridge. From behind, another ridge shields and protects the resort in this hidden valley.

Farm to table: Experience farm fresh food at our Resident Chef's dining table and open-concept kitchen. Have a tippie at our **Qingke Library and Bar**. It offers a fine selection of highland barley liquor and Black Yak beer.

Our **outdoor meadow** provides ideal settings for horse riding, painting and Yoga activities. For those keen to discover the hidden treasures of Shangri-la, our Adventure Concierge offers activities tailored to guests' personal interests for enriching [destination experiences](#).
